Graphing Inequalities: Practice A

Graph the Following Inequalities on the Number Lines... Remember, graph in the same direction that the inequality points, and color in the circle only if there is a line under the inequality

1. $x < 2$

2. $x > -4$

3. $x = 0$

4. $x = -2$

5. $1 < x$

6. $-2 > x$

7. $x = -2$

8. $x < 2$

9. $x > -5$

10. $x < 0$

11. $2 = x$

12. $3 < x$

13. $x > -1$

14. $x = -3$

15. $-7 < x$
